POINT

S-WAVE MOTOR

ELEVATE YOUR VIBE

IF HEAVEN WERE A BULLET

HIDDEN BENEATH THE POINT'S silky smooth, twice-dipped silicone exterior lie 20 heavenly vibrations. With deceivingly mighty vibrations that uniformly encompass the full surface of the toy, users can experience the Point in all its glory–no matter their shape, size, or position. The critically-acclaimed Point Bullet derives its name from its ergonomic build. Designed with a tapered tip for pinpoint stimulation, it's no wonder the Point is one of the most highly recommended bullets by sex therapists worldwide.
